# Accommodation Host Family

Location: Atlas host families are experienced in hosting students; they are situated in residential areas of South Dublin and within easy access to the city centre.

Students will have a clean and comfortable room with study and storage facilities. Students are treated as members of the family at home stay.

Meals: Our families offer bed & breakfast & evening meal; they also include a packed lunch; meals are eaten with the family

## Curfew and Permission to go out in the evenings

In case families allow students to meet their friends in the neighbourhood, they must ask for permission and for the curfew times: usually students between 15 and 17 must be at home by 10.30 pm

Keys: Most host families may provide students with a key to the front door of their house. All keys must be returned to the family on the last day of a student's stay.
